# Valuing People Now - Guidance

---

- ◆ Valuing People Now Guidance for Partnership Boards has come out at last
- ◆ It says it is the job of the Director of Adult Social Care and the Chief Executive of the Primary Care Trust to make sure we have a good Partnership Board
- ◆ It tells us who should be members of the Partnership Board

# Valuing People Now - Guidance

---

- ◆ It says half the members should be people with learning disabilities or family carers who should:
  - Be from lots of different backgrounds
  - Be from lots of different groups (advocacy, service user forums, user-led organisations, etc)
  - Represent lots of different people, including people with complex needs or people with behaviour that challenges services

# Valuing People Now - Guidance

---

- ◆ It suggests a list of other people who should be members of the Partnership Board
- ◆ Jargon Alert! Valuing People Now uses complicated names to describe the jobs or roles of those people
- ◆ Who are the people who do these roles in Brighton & Hove?

- ◆ Work in small groups for a few minutes
- ◆ think about the suggested membership
- ◆ I'll give you the list so you can write down your answers to these questions:
  - Do you know who the people on that list are?
  - Can you tell me their names?
  - Are they members of the Partnership Board?
  - If they are not, then should we ask them to be members?
