Shared Ownership

A thick, solid green horizontal bar with rounded ends, positioned below the title.

What sort of people can be shared owners?

What is shared ownership?

- You own part of the house
- Southdown owns the other part

What do you have to pay to become a shared owner?

- Your share of the property
- Start up costs of up to £4,000

Who can apply?

- Those who have a long-term disability

What sort of house can you buy?

- You can visit estate agents and choose a house that suits your needs from the open market

Who can help you?

- Your family
- Your support staff
- Southdown
- My Safe Home

Support

- You can choose your support provider

Some good things about shared ownership

- You can choose where you live
- You can decorate it how you like
- Southdown will do the maintenance

What sort of people can be shared owners?

More shared owners...

And more...
